STORY OF A LAWBREAKER

The driver of this car was killed because he was driving "too fast for conditions." Rounding a curve on a damp, slippery pavement, his machine skidded off the road and rolled over and over down the side of a steep embankment; finally came to rest right-side-up with the driver crushed in the wreckage. Stated speed limits apply only to average conditions, and a safe speed at ordinary times can be a very dangerous speed in bad weather. The law has a right to expect motorists to drive below stated speed limits when special conditions demand it.

AT CONFERENCE

Robert Bowen, Garfield street, has been participating in the first national assembly of the Westminster Fellowship, which has attracted 1500 youths and 200 adults from all parts of America and several foreign countries to Grinnell College, Iowa, this week. This national assembly of Presbyterian young people was built around the theme "Thy Purpose We Share."

VISIT AT ASBURY PARK

Mr. and Mrs. Lawrence Hall and son Horace, of North Radcliffe street, spent Friday in Asbury Park, N. J.

ANYTHING BUT THE TRUTH!

Judging by the recent flood of reminiscences by various war leaders, there are at least three skeletons in the military closet for which the motto is:

"Anything but the truth!" Chief of these, of course, is Pearl Harbor. Not a single "insider" has yet written frankly and convincingly about his own knowledge of that scandal. The cover-up continues. Whitewash reigns. Talcum, not soap, is applied to the dirt.

A second point at which factual discussion takes a detour is the decision to overrule the Churchill plan of hitting the Axis on "the soft under-belly," which would have made Russia and the Anglo-American forces partners and buddies in the War, and brought them into Berlin together; and the contrary decision to strike across the English Channel—out of which plan so much of the present world crisis rose.

The third "hush-hush" subject of the Generals and Admirals and their ghost-writers is the complacency and political thinking which, in the summer and fall of 1944, with a President to re-elect, told the American people that "the war is about over"—and thereby starved off the supplies of the American armies along the Rhine, paving the way for the costly and nearly disastrous German breakthrough, the Battle of the Bulge.

The day will come when the true story of these events will be known. Truth crushed to earth will rise again. That is inevitable.

When that time arrives, those who re-read the current memoirs of the various war heroes are bound to suffer a shock to discover how glibly these questions are being glossed over, and how little attention is being paid to facts.

This is more than merely irritating. It is, in fact, tragic. Most of these men are men of courage and valor. The nation's military record, as separated from the political background with which it has become unfortunately entangled, is one of which the American people are entitled to be proud.

For that pride to be undermined by stultifying passages, presenting cover-ups or fraudulent misrepresentations of factual material (presenting these pieces of special pleading for the sole reason that there is a Presidential Election in the offing, and the bare truth might weaken the Truman chances for returning to office)—all this is a debasement of the very real glory of the high achievements on battlefield, flat-top, pig-boat, P.T., as well as airplane, trench, beachhead and tank.

It is especially disappointing to find this sort of blot showing up on the "scutcheon of Admiral Halsey."

There was perhaps more genuineness and likability about Admiral Halsey, and more color and dash to his war adventures, and more sincerity to the man himself, than any of the other war figures.

Off Burlington's Municipal Wharf**

Holiday accidents in Bucks County and the Bristol area included two men injured, three men stranded in a boat and one man taken from the Delaware river at Burlington, N. J., who died later.

John De Marchis, 22, Railroad avenue, Third Ward, was injured when his automobile overturned on the new super-highway about 50 yards east of Greenlane. The highway has not as yet been officially opened for traffic although it is being used by motorists.

DeMarchis suffered an injured left arm and it is thought that perhaps the arm will have to be amputated. He is a patient in the U. S. Naval Hospital, Philadelphia, to which institution he was removed from the Harriman Hospital by the Bucks County Rescue Squad.

DeMarchis was driving alone in the car and the theory is that he was driving east and the car either skidded or in some manner got too close to the concrete divider in the center of the four-lane roadway. The car turned over on its left side and DeMarchis' arm was pinned beneath the door.

The accident occurred shortly before five o'clock yesterday afternoon.

Late Thursday evening firemen and rescue units of this area were called to the Delaware river near the Burlington-Bristol bridge. Three men had become marooned in a boat.

When Lower Bucks County Marine Association received the call at 11 o'clock, members were informed that a boat was in distress in the Delaware, just above the bridge

We are thankful, our God, for the privilege of serving Thee. Grant that Thy people, who are called by Thy Name, may be worthy of the name of Christian. Help us to ever lift high the standard of truth and righteousness. We realize that without Thee we are nothing, but we can do all things through Christ who strengthens us. Help us to lead others to Thee. This we ask in Thy Holy Name. Amen.

CORNWELLS TEAM ON UPSWING IN CHURCH LEAGUE

Moves Up Above the Bristol Presbyterians in the Standings

DEFEATS EDDINGTON

Calvary Continues Its Winning Ways Over First Baptist

Cornwells Methodist softball team, in a see-saw affair with Bristol Presbyterian, is now on the "upswing" as they won two important contests during the week to move up past the Presbyterian club in the standings of the Lower Bucks County Church Softball League, when Presbyterian broke even in its two games played.

Cornwells walloped Eddington-Newportville in a one-sided fracas to the tune of 24-3, and then came back to whip St. Luke's, 8-5, on the strength of a six-run fourth inning that pulled them up from a 3-2 deficit. Charlie Muddle's bases-loaded single in the first gave Cornwells an early lead of 2-0. But St. Luke's went ahead in the third on Allan Kohler's homer with one on. Then Cornwells unloaded their six-run rally. St. Luke's counted twice in the seventh, but the rally fell short.

St. Luke's had previously scored an easy 10-3 decision over a weakened Presbyterian club. Presbyterian evened the count on the week's activity by scoring an 8-6 verdict over First Baptist, who lost two during the week, dropping a 7-6 contest to Calvary, also. In both games First Baptist rallied in the late innings, but their early deficits in each case were too great to overcome.

Calvary continued its winning ways by chalking up a pair of triumphs, winning 7-6 over First Baptist, and 10-3 over Church of Our Saviour for their 7th and 8th consecutive victories after they had their 7-game winning streak snapped by Church of Our Saviour on June 13th. "Chart" Tomlinson was the big gun in the win over Church of Our Saviour with two home runs, a triple and a single in five trips, driving in six runs and scoring three times himself to provide the margin of victory single-handedly.

Both Bensalem and Church of Our Saviour split their two games. Bensalem was beaten by Church of Our Saviour, 12-9, in a slugfest, when Our Saviour tallied a half-dozen runs in a big fourth inning; but they upset Eddington-Newportville in a wild and woolly affair, 16-14, at the Bensalem field. Eddington lost their fifth and sixth games in a row when they were trounced by Cornwells, 24-3; and then were beaten by Bensalem.

ST. ANN'S TO PLAY WILLOW GROVE

St. Ann's A. A. will seek its 25th win of the season tomorrow afternoon when it meets the strong Willow Grove A. A. team of the Philadelphia Suburban League. Either Joe Berry or Danny Keegan will do the pitching for the "Saints."

ATTENTION ST. ANN'S PUPILS.

All pupils of grades seven, eight, nine and ten of St. Ann's parochial school who sing the Requiem Mass are requested by the Rev. Peter Pincin to meet at St. Ann's rectory this afternoon at four o'clock.

Still Aiding in Locating Displaced Persons

The local Red Cross Chapter is again accepting inquiries concerning the present location of displaced persons in foreign countries. It was announced by Benjamin Rush, Jr., Chairman.

This service was suspended in August, 1945, when normal communications channels were restored. Inquiries will be accepted at the local Home Service office of Red Cross, Rush explained, provided attempts to communicate via normal postal channels with the addressee have proved unsuccessful and if no other social agency has already initiated a search.

During the war, the American Red Cross handled more than 1,750,000 civilian messages and inquiries to and from this country. Of the number, 40,296 were handled by the local chapter, Rush said.

Information on the last known address of the missing person is forwarded to the Red Cross society in that country. Local workers there then endeavor to trace the whereabouts of the missing friend or relative.

Handling of inquiries originating in this country is being resumed at the request of the State and War Departments, as well as many local Red Cross chapters, Rush disclosed.

Through the International Red Cross, inquiries from displaced persons and other foreigners endeavoring to contact relatives or friends in the United States, are still being received at the Home Service office, 21st and Chestnut streets, Philadelphia, and at the ten outlying regional Home Service offices.

The Home Service office for Bucks County is at 120 Mill street, Bristol. The telephone number is Bristol 2-76.

FIFTH WARD TIES WITH ROHM & HAAS

Fifth Ward Sporting Club was mixed in its fourth tie game of the season, Thursday evening, as it battled the Rohm and Haas team to an 8-8 deadlock on the Third Ward field in a Suburban League game.

The Warders tied the score in their last turn with the stick and with two out. "Sal" Pappaterra's triple was the deciding hit of the fracas. It was Pappaterra's third hit of the game.

Fifth Ward outlit the chemical mixers but wildness on the parts of Tony Cauti and "Hal" Shackleton gave the Maple Beach aggregation their opportunities to score runs.

"Johnny" Dick started on the peak for Rohm & Haas and was replaced by Paul Cervellero in the second. Fifth Ward scored four runs off Dick in the first inning.

Solebury Schools Open Summer Sessions

NEW HOPE, July 5.—Solebury School for Boys opened its eight-week summer session on Tuesday. The study program is being carried on by members of the Solebury faculty and teachers from other secondary schools. The subjects offered are: English, mathematics, science, history, Latin, French, Spanish, and remedial reading.

The summer session offers students the opportunity:

To catch up in subjects in which they are behind their class.

To make up courses in which they failed during the regular school term.

To lay a firm foundation or get a head-start in fields in which they experience difficulty. This would prove helpful to new students planning to enter Solebury in September.

To learn correct reading habits. Many students are held back in their school work because of inability to read rapidly and with understanding. In many cases this difficulty is due to incorrect reading habits. The school will attempt to discover the reasons for the difficulty and will provide individualized practice in reading to develop greater speed and a better comprehension.

With the mornings given over to classes and study, the afternoons are largely free for recreation. There is an outdoor swimming pool at the school and tennis courts, and ample opportunity for recreation.

This is the fifth session of summer school at Solebury School.
